# MP after 30 years

## Shock as veteran Labour man decides not to fight snap election

By George Welch

MP Andrew Smith is to retire from politics after almost 30 years representing Oxford East.

The 61-year-old announced yesterday that he has decided not to run in June in a snap general election.

The Labour MP won seven elections, the first in 1987 and held 98 per cent of the vote in the 2005 election. In a short statement, Mr Smith made a statement: "I thank constituents for your 30 years of support."

"It has been a huge privilege to serve as MP for Oxford East and we have achieved so much together."

"This election is for a Parliament which is likely to run until 2015, when I would be over 71 and I think it is now time for someone else to take forward the work of serving local people as your MP."

"I will therefore make a candidate in this election."

It is being reported that Mr Smith was often planning to step down before the planned 2010 election.

But following Prime Minister Gordon Brown's call for a snap election, he has decided not to stand in snap election times.

Mr Smith's statement continued: "My belief and confidence in the values of fairness which Labour stands for are as strong as ever and I will work tirelessly to help secure the election of a Labour MP for Oxford East, carrying forward the service which Oxford Labour gives our local community."

"I am very thankful to constituents, Labour members and my fellow staff

for their support and work over the years. It is always hard to give up a job you love, but I do tomorrow."

This Oxford Labour Party said the National Executive Committee was meeting last night to begin the replacement process.

Labour councillor Tim Brown, who has been a close adviser for the MP, said: "I am devastated. I have worked for him for years and he has been my mentor. There was a huge number of people who have a strong relationship with him."

"He has helped so many people personally whether that is through housing, refugees and people who are seeking asylum status - the list is endless."

Between 1984 and 2004 Mr Smith served as Shadow Chief Secretary to the Treasury (1984-86), Shadow Secretary of State for Transport (1986-87), Minister of State for Employment and Disability Rights (1987-89), Chief Secretary to the Treasury (1990-2000) and Secretary of State for Work and Pensions (2000-2004).

Oxford East residents have paid tribute to Mr Smith's Facebook page.

One said: "The way sorry to hear that Andrew you are a fantastic MP and you have done so much for the people of Oxford, but understand your decision to stand down."

"Thank you so much for all of your work over the years."

David Clavin added: "The only man you are will be a Labour Party MP has been a wonderful serving person who you have beyond party."

*"I am devastated. He has been my mentor. He has helped so many people personally, whether that's through housing, refugees and people who are seeking asylum status - the list is endless."*

## Man wanted after assault in bar

A CCTV image has been released of a man officers want to speak to in connection with an assault.

The attack happened at Macclesfield's Bar at about 2.30am on March 13.

Police said the victim, a 20-year-old man, got into a verbal argument with an unknown man who then hit him on the head.

Investigating officer, PC Jason Hedges of the city centre neighbourhood team, said: "We are appealing to the man

to the CCTV image or anyone who was in the bar at the time to contact police to help us identify the man who assaulted the victim."

## Cycle route team in call for support

CAMPDENWICH, looking to bring about a 50% mile cycling network are asking people to join them in a call to action.

This Saturday at 10am, the Oxfordshire Cycling Network (OCN) will hold a mass get-together outside County Hall to endorse a major scheme for cyclists and ask county-wide vote candidates for support.

The crowd will hear 11 groups of cyclists making at least one of the county's 100 best places to cycle list.

It is seeking support for the scheme, which could see better, safer, and more scenic routes, and health benefits to Oxfordshire people, while also cutting air pollution.

According to OCN, the project would bring huge economic and health benefits to Oxfordshire people, while also cutting air pollution.

The new route would have smooth tarmac, would be at least three metres wide and separated from busy roads by a green verge.

Between cycle routes would be paved areas with good trees and shrubs, and would contain some green spaces.

The scheme might take 10 or 20 years, he said, and OCN is keen to make at least 100,000 miles.

# Singers have a blast belting out ballads for good causes

By Eva Atkinson

A FLAMBOYANT band of singers, each with a unique talent, have been working hard to raise money for local charities.

The Oxfordshire Rock Choir, based in Banbury, have been busy singing to raise money for local charities in Oxfordshire and Banbury.

The choir has been singing for many months and its members have been singing to raise money for local charities in Oxfordshire and Banbury.

Highlights included singing at Banbury Police Chapel, performing various songs in Watlington, Banbury, and Banbury Library, Banbury, and Banbury.

They also sang to it in a performance at local residents' homes and Oxford Railway Station.

Oxfordshire, then, a local musical charity choir in its 50th year, now a wide range of services for anyone who is of retirement age, or retired, or retired.

David Davies, leader of the Rock Choir, said, "I had been

Singers from the Rock Choir performing at the Oxford Railway Centre to raise money and funds for local charities

informed of the really important work Oxfordshire Mail does by one of my members who sang the 'surrender' and had mentioned how much it's helped her.

"I have a strong belief that our musical ability is just as important as our physical wellbeing; many of our choir

members attend Rock Choir for this very reason.

"Singing has a profound effect on our mental health as it is continuously sustained to stimulate our cardiovascular system as well as our respiratory system. Our Rock Choir members know that when they come each week beyond their

members of home for that time and a half and enjoy singing and being with their friends."

We would like to say huge thanks to everyone who supported the Rock Choir to help us raise money for local charities. We are grateful to all who have supported us in the past and we look forward to continuing our work in the future. Rock Choir is the UK's largest contemporary choir, with

more than 10,000 members in over 200 local communities.

Previously the choir, which has been running for a decade, has offered its members a chance to record at the iconic Abbey Road Studios and hear their voices on the radio. In 2016, the choir was named as the best choir in the UK.

## Sudoku

The objective is to fill a 9x9 grid with digits so that each column, each row and each of the nine 3x3 sub-grids that compose the grid (also called "boxes", "blocks", "regions" or "sub-squares") contains all of the digits from 1 to 9. The puzzle setter provides a partially completed grid, which for a well-posed puzzle has a unique solution.

## You shall go to the ball-et!

By Samantha McGregor

THE fairy tale ballet *Cinderella* created especially for children will take to the Oxford stage this month.

English National Ballet and English National Ballet School present *My First Ballet: Cinderella*, a reimagined version of the classic fairy tale created especially for children as young as three.

It takes in the New Theatre stage from her last days on April 18 and 19. The production has been adapted to be as long as 45 minutes and has a narrator to help young audiences follow the story.

To tell the story of *Cinderella*, who is persecuted by her stepmother and mistreated by her stepmother's maid, but when she is left behind to an evening at the ball, she is visited by her Fairy Godmother who transforms her into a Princess who shall go to the ball.

Choreographed by George Williams, a world leading former student of English National Ballet School, *My First Ballet: Cinderella* is part of the *My First Ballet* series which offers to take you to the ball.

Since its inception in 2005, over 100,000 people have enjoyed the series which has included the highly

successful *My First Ballet: Swan Lake*, *Coppelia* and *Sleeping Beauty*.

The *My First Ballet* series is performed by second year students of English National Ballet School, providing them with valuable rehearsal and performance experience within a professional training company.

Mr Williams said: "*Cinderella* was the first production I created in the series, and I modelled it to be a reimagined *Cinderella* story and narrative. It is a brand new audience."

"I am proud to be working with English National Ballet and the School to lead the way in creating tailor made productions for children, offering what for many will be their first experience of a ballet performance."

So, coincide with *My First Ballet: Cinderella*, English National Ballet will host a stage creative dance workshop aimed to provide a glimpse into the world of ballet. Children and their parents will have the opportunity to learn excerpts from the production with English National Ballet dance artists and get up close to costumes and scenery.

## Ollie's unique way to handle his recovery

By Samantha McGregor

**AFTER** undergoing brain surgery Ollie himself used his experience to put his own name

Last week drummer Ollie who performs alongside Duncan Kaghan on their respective art-funk ensembles, Ollie and his sister, the guitar, Billy Spencer on trumpet, Matt Robinson – piano, and Mike Latham on double bass, released his second just album called *Self-portrait*. Originally from Wexford, he wrote music as part of a process of understanding his condition and the fragility of his, with the intention of creating a positive from the experience.

He said: "I definitely think the experience I've had has influenced the way I compose."

"With this new album the most important thing was to really push myself creatively and compositionally

and to really wanted to put this music out into the world."

He is currently influenced from "techno/tribe" three month residency at Dublin, where he now acts as a member of Quercy Jones' music scene, and later this year will go on tour. Ollie has over eight months to do his album. *Self-portrait* is about growing up in Wexford, Quercy Jones and his changing events.

He said: "I spent my teenage years playing around. I discovered so many different groups and styles and that's what got me into London and around the country for gigs so soon as I got my act."

His life changed drastically when he was diagnosed with an Arnold Chiari Type 2 malformation – a condition where the brain sits too low back in the neck and pressure builds up.

He said: "I had no idea that they might do when they did, and that they

could operate so quickly

"Fortunately, just a few months before going for my first surgery, I'd been invited to Quercy Jones, who had just started to make me a bit of part."

"Going back to my hospital bed as soon after that experience and with so much excitement and getting everything started then and there that I would start my own band and spend my time in hospital writing music, while

I wasn't able to perform."

Talking about his second album, Ollie said: "I describe the music as it is eclectic, contemporary and melodic. It's heavily rooted in jazz but there are a lot of other influences too."

"We recorded the album at Peter Dinklage's studio called *Black Metal Studios*, which is one of the most incredible studios I've ever seen."

**THE LAW HAS CHANGED ...**  
**DO YOU HAVE THE CORRECT GAS?**

**We can now offer**  
**R1234YF car air-con**  
**recharge and service**

**Wheatley**  
CAR CENTRE

*Is your car 2013 or newer? If so, you will need the correct gas.*

As of the 26th September 2016 we are able to offer R1234YF refrigerant re-gassing, or a car air-con recharge in sometimes known as our Wheatley Car Centre Brands

This gas is compulsory for new cars from 2013 and it has been around since 2010, although some manufacturers are still refusing to use this, notably Mercedes who are not happy with the flammable nature of the gas, which in turn means not many companies offer the re-gassing service for cars using R1234YF. But due to the amount of cars we sell we have needed to be able to have this service ready so we can now offer this service to our customers.

A common question is why the old, R134a gas found in most cars today, is being replaced?

It's driven by environmental concerns as the new gas is more environmentally friendly

**So, for ALL your re-gas and service needs please contact our Wheatley Car Centre Service Department, tel. 01865 874046 opt 2 • [www.wheatleycarcentre.co.uk](http://www.wheatleycarcentre.co.uk)**

City players celebrate following a goal against Chesham United on Saturday. **Picture: Michael Allen**

# Double delight for City

## Oxford City

**INACHTO BACK** was once the biggest test for Oxford City following a heavy defeat earlier here. The defeat of a divided 11 back at home to Abingdon & Marlborough on April 6 were put to bed after a 2-0 win at home to Chesham United on Saturday. A victory at Gosport, Hampshire, on Easter Monday.

The Blues' temporary boss Mark Jones will not be back the season strongly to reward his efforts of getting the club permanently well. After Easter weekend, his side parked up their first back to back clean sheets under his stewardship.

City produced a fine display in previous Chesham, a side who will contest the National League South play-offs in 14 months after Jones, having succeeded in negotiating his

own selection against Abingdon & Marlborough, put out a more level and tested side as a number of senior players returned.

Tony perkins from Gosport, the head with a dark sense of humor, the keeper at the moment.

Chesham, who had one last game, all games ended in 0-0 draws, were reduced to three with six minutes remaining when Josh Jones scored a second yellow for a high challenge on Geoffrey Potts.

The defender goal was back with a brilliant goal four minutes later when his second effort cracked into the far bottom corner.

City made it two was on the halfway line for the first time since Jones took charge in December with a 1-0 win at Gosport on Easter Monday. A little more, Keanon Anderson, after his enough to suggest the

Spending after the Chesham win, Jones had to put in his last.

He said: "It's a great way for us to appear in front of our fans for the last time and I thought we got a good end today in terms of how the fans approached the game."

"It's not always about who plays the most attractive football but sometimes, especially at this level, it's about who makes the best decisions."

"We made a team who have done very well this season look quite strong. It's difficult to pick some of the best players overall produced well. We had to maintain to beat a team in the top tier so today was a big achievement."

City have two fixtures remaining. They face relegated Marlow on Saturday before heading to Ebbw Vale United, who can still win the league on April 29.

From Newcastle comes for Arley

# Arley breaking a sweat in 5-1 win for semi final place

## Arley United

**STRENGTH** from Newcastle scored his second hat-trick in a week as Arley United progressed into the semi final of the Hampshire Cup with a 5-1 win at Chesham, Wigan.

Goalkeeper Rowley scored a brace in the first game of the league season as a 4-2 win at Longworth AFC and he scored again on Saturday as United overcame a 4-1 half-time lead.

Arley, who finished 12th in the Hants Premier League, started at home to record their dominance as Newcastle produced his first of the afternoon on three minutes with a free kicking effort into the top corner.

Just two minutes later and Carl Thomas added the last home goal, giving a 3-0 lead.

Arley dominated. United had one shot in the first half but lost it when Carl Thomas' 20th minute shot and Thomas' 37th minute shot the visitors

lead to four. They were had a little relief on the stroke on the map of half time.

Chesham, who play a year below Arley in the Hants League Division One East, came out for the second half with more drive and took the game to United from the start.

Kayne Webb got in behind the Arley defense and smashed into the bottom corner to give Chesham some hope.

But 3-2 in all it was as, with little over 10 minutes remaining, Rowley completed his hat-trick when a highball. Levens was also the last was blocked but Newcastle pressed on the lower half to rack up the last four corner.

The next day against Bournemouth, who play in the same division as Chesham and groundkeepers with Arley is on Sunday.

The final will take place on April 29 but the venue for the match is yet to be confirmed.

# Play-off dream over for Puritans

## Banbury United

**MANAGER** Mike Ford says he knows what is required for the Puritans to push on next season following a disappointing Easter weekend that triggered a crisis of confidence in the Southern Premier League north.

Banbury United drew 0-0 at home with Guildford ahead of their season at Banbury and lost 1-0 at rivals and second placed Luton to leave United four points off the play-off club one game to go.

The play will change next time to tell them when, after a new start, Joe

McKeehan stepped into the arena and struck the ball beyond Michael Jackson at the Hetchen.

McKeehan was the first to score in the second half and scored his second

# Clark strikes late to seal promotion

## Abingdon United

**ABINGDON** United secured a last gasp promotion in Monday with a dramatic 3-1 win over New College Barnet in The Northwest.

Jackie Clark struck a 10th minute winner to send United into the Southern Premier League's first round of betting.

Saturday had seen United win 1-0 against South Leigh United with goals from John Jones and Steve Whiston, alongside single strikes

from Adam Fennell, Sebado and Gavin Kilgus.

Abingdon went into their Easter Monday showdown knowing a win would secure second place but, anything less and a 10th minute win would see the latter promoted.

The game was a tense affair but the hosts called the storm with a 10th minute goal from Kilgus.

Domus played Kilgus through on the left and the experienced forward made the keeper to finish from a right angle.

United went close on numerous occasions but all changed just after the hour when an attempted United clearance forced all surrounding Banbury forward into the net for a break goal.

But desperation turned to delight when, deep into stoppage time, a lobbed ball into the box was headed into a goal by United players.

Clarked the ball to the net and put a higher keeper. Clark's side from two players and a full back. The goal had even more significance when it overtopped the 10th minute goal also scored by forward 1.

Appleton demands the best from his players to the end  
Goalkeeper Joe Mullen is glad to see the back of the game

By George Welsh

THREE were sound thoughts from Oxford United boss Markus Appleton after his side's 1-0 victory over Reading on Monday.

"I was a mixed performance. Some of our stuff in possession at times was decent and we created enough chances to win two or three games, but it wasn't pleased with the way we went down the pitch in the second half."

"I'll be pleased to see some of our back five and they had to work a bit harder than I wanted and what I expected."

"The reality is we have won the game and kept a clean sheet but I can always looking ahead and thinking about the next one. And the next one is difficult in a pretty big way for me because we go in a side who are fighting to stay and get in that top six."

"We need to be in the top six and we need to be in the top six and we need to be in the top six."
